COUNTY ENGINEER'S RECOMMENDATION
STATE OF MISSISSIPPI COUNTY OF MADISON
I have examined this Plat and find that it conforms to all conditions set forth on the preliminary plat as approved by the Board of Supervisors and thus recommend final approval, this the _____ day of _____, 2005.

Mike McKenzie, County Engineer

Reference meridian obtained from solar observation of monumented evidence of the previous survey prepared by Richard Tolbert on 11-15-1999, found iron pins at corners. The classification of this survey is Class A as set forth in the Minimum Standards for Land Surveying in the State of Mississippi.

Monuments and iron pins are not set at those lot and parcel corners where an impenetrable obstruction (such as a manhole, fire hydrant or tree) is located on the date hereof. At the request of the Owner, improvements (such as streets and utilities) situated within the parcel of land subdivided and shown hereon are not shown for clarity.

Witness my signature on this the _____ day of _____, 2005.
Ricky L. Nelson, Professional Land Surveyor, No. 02476, Miss.

STATE OF MISSISSIPPI COUNTY OF MADISON

I, James T. Weaver, Member of Great Southern Development Company of Madison, LLC, a Mississippi limited liability company, do hereby certify that said limited liability company is the owner of the parcel of land described in the foregoing certificate of Ricky L. Nelson, Professional Land Surveyor; that said limited liability company has caused said parcel of land to be subdivided and platted as shown hereon and has designated same as Hampton Hills Part 2A; and that said limited liability company does hereby adopt this plan of subdivision as its free act and deed and dedicates, for public use forever, all streets, street rights-of-way and all stormwater drainage facilities therewith, to the County of Madison and all public water and sanitary sewer systems, including their rights-of-way shown hereon, non-exclusively to the Bear Creek Water Association.

Witness my signature on this the _____ day of _____, 2005.

NOTES:

1. The Declaration of Covenants, Conditions and Restrictions for Hampton Hills, which are filed for record in the office of the Chancery Clerk of Madison County, Mississippi, in Book _____ beginning at Page _____ together with any amendments or supplements thereto shall govern and control the improvement, use and occupancy of lots in this subdivision.
2. This property appears to be situated in Flood Zone "X" (areas determined to be outside the 500-year flood plain) according to the Flood Insurance Rate Map Community Panel Number 28089C0330 D, effective date April 15, 1994 and Insurance Rate Map Community Panel Number 28089C0195 D, effective date April 15, 1994. However, this property is situated in the flood plain of Little Bear Creek upstream of the Limit of Detailed Study for this creek. This flood reference only certifies to the location of the parcel as per said Flood Insurance Rate Map.
3. There is a 15' Utility Easement along the street frontage of all lots. The Utility and Drainage Easements shown on this Plat are reserved for the purposes of installing, operating, and maintaining water, sanitary sewer, storm drainage, electrical distribution, telecommunications, natural gas, cable television and other underground utility facilities installed to serve residential consumers in Hampton Hills. The Drainage Easements shown on this Plat are for the purposes of maintaining proper drainage. Only utility facilities which are buried below the ground surface or are appurtenant to such buried facilities are permitted in the utility easements shown on this plat. These easements are for the benefit of Great Southern Development Company of Madison, LLC, Madison County, the Hampton Hills Home Owners Association, Bear Creek Water Association and those bona fide utility companies which 1) are authorized to provide a utility service to the owners of lots and/or dwellings in Hampton Hills and 2) install facilities in Hampton Hills Part 2A, within two years of the date this plat is recorded.
4. Distances shown along curves are chord distances unless designated as arc distances. Iron pins are set at all lot corners. Concrete monuments are set at corners of subdivision boundaries.
5. Parcel G is not a lot for a residential dwelling. Parcel G is subject to easements for drainage and stormwater detention. See Note 1.
6. All or any part of any required yard within a Lot shall be graded, shaped, grassed and maintained as directed or permitted by Madison County to cause surface water to drain directly to an abutting street or an approved drainage channel, culvert or swale.
7. Survey classification as per the minimum standards for surveying in the state of Mississippi.
