SURVEYOR'S CERTIFICATE

STATE OF MISSISSIPPI COUNTY OF MADISON

I, J. Vance Wise, Professional Land Surveyor, do hereby certify that at the request of Great Southern Development Company of Madison, L.L.C. a Mississippi limited liability company, the Owner, I have subdivided and platted the following described parcel of land which is situated in the Southwest Quarter (SW1/4) of the Northwest Quarter (NW1/4) of Section 25 in Township 8 North, Range 2 East, Madison County, Mississippi, and which contains 14.271 acres, more or less.

Commence at a 1" pipe marking the center of Section 25, Township 8 North, Range 2 East, Madison County, Mississippi; run thence South 89° 48' 49" West for a distance of 204.60' to an iron pin, run thence South 89° 48' 49" West for a distance of 1,062.13' to a point; run thence North 00° 27' 26" West for a distance of 652.31' to an iron pin, run thence North 89° 28' 34" West for a distance of 749.82' to the Point of Beginning of the parcel of land more particularly described as follows:

From said Point of Beginning run thence North 89° 28' 34" West for a distance of 19.64' to a point; run thence North 00° 40' 35" East for a distance of 553.48' to a point, run thence South 26° 34' 44" West for a distance of 82.32' to a point, run thence North 89° 15' 28" West for a distance of 200.84' to a point, run thence North 73° 21' 50" West for a distance of 72.46' to a point, run thence North 89° 43' 00" West for a distance of 219.30' to a point, run thence South 00° 29' 03" East for a distance of 100.01' to a point, run thence South 00° 07' 38" West for a distance of 100.00' to a point, run thence South 00° 42' 10" West for a distance of 100.00' to a point; run thence South 00° 48' 33" West for a distance of 113.10' to a point; run thence South 00° 02' 48" West for a distance of 84.07' to a point, run thence South 00° 44' 37" East for a distance of 51.34' to a point; run thence South 02° 20' 56" East for a distance of 508.68' to a point, run thence South 56° 22' 27" East for a distance of 19.64' to a point; run thence South 43° 58' 16" East for a distance of 34.32' to a point, run thence South 13° 01' 21" East for a distance of 61.17' to a point, run thence North 89° 48' 49" East for a distance of 250.02' to a point, run thence North 70° 20' 03" East for a distance of 145.00' to a point; run thence South 78° 00' 42" East for a distance of 59.32' to a point; run thence North 68° 30' 16" East for a distance of 145.00' to a point, run thence North 15° 36' 59" West for a distance of 213.09' to a point; run thence North 02° 00' 48" East for a distance of 143.15' to a point, run thence North 46° 08' 31" West for a distance of 89.94' to a point; run thence North 02° 00' 48" East for a distance of 146.68' to the Point of Beginning.

Reference monuments obtained from solar observation of monumented evidence of the previous survey prepared by Richard Tolbert on 11-15-1999, found iron pins at corners. The classification of this survey is Class A as set forth in the Minimum Standards for Land Surveying in the State of Mississippi.

Monuments and iron pins are not set at those lot and parcel corners where an impenetrable obstruction (such as a mailbox, fire hydrant or tree) is located on the date hereof. At the request of the Owner, improvements (such as streets and utilities) situated within the parcel of land subdivided and shown hereon are not shown for clarity.

Witness my signature on this the 29th day of April, 2004.

APPROVAL BY BOARD OF SUPERVISORS

STATE OF MISSISSIPPI COUNTY OF MADISON

This plat was approved by the Board of Supervisors of Madison County in session on the 3rd day of May, 2004.

Madison County Board of Supervisors
By: _____
Douglas Jones, President

NOTES:

1. The Declaration of Covenants, Conditions and Restrictions for Hampton Hills, which are filed for record in the office of the Chancery Clerk of Madison County, Mississippi, in Book ___, beginning at Page ___, together with any amendments or supplements thereto, shall govern and control the improvement, use and occupancy of lots in this subdivision.

2. This property appears to be situated in Flood Zone "X" (areas determined to be outside the 500 year flood plain) according to the Flood Insurance Rate Map Community Panel Number 280159C0130 D, effective date April 15, 1994. However, this property is situated in the flood plain of Little Bear Creek upstream of the limit of detailed study for this creek. This flood reference only certifies to the location of the parcel as per said Flood Insurance Rate Map.

3. There is a 15' utility easement along the street frontage of all lots. The Utility and Drainage Easements shown on the Plat are reserved for the purposes of installing, operating, and maintaining water, sanitary sewer, storm drainage, electrical distribution, telecommunications, natural gas, cable television, and other underground utility facilities installed to serve resulting consumers in Hampton Hills. The Drainage Easements shown on the Plat are for the purposes of maintaining proper drainage. Only utility facilities which are buried below the ground surface or are appurtenant to such buried facilities are permitted in the utility easements shown on this plat. These easements are for the benefit of Great Southern Development Company of Madison, LLC, Madison County, the Hampton Hills Home Owners Association, Bear Creek Water Association and those bona fide utility companies which 1) are authorized to provide a utility service to the owners of lots and/or dwellings in Hampton Hills, and 2) install facilities in Hampton Hills, Part 1B, within two years of the date this plat is recorded.

4. Distances shown along curves are chord distances unless designated as arc distances. Iron pins are set at all lot corners. Concrete monuments are set at corners at subdivision boundaries.

5. Parcels D, E and F are not lots for residential dwellings. Parcel D is subject to easements for drainage and stormwater detention. See Note 1.

6. All or any part of any required yard within a Lot shall be graded, sloped, grassed and maintained as directed or permitted by Madison County to cause surface water to drain directly to an abutting street or an approved drainage channel, culvert or swale.

7. Survey classification as per the minimum standards for surveying in the state of Mississippi:
Geographic location – Survey Class "B"
Mathematical closure and accuracy – Survey Class "A"
