FILING AND RECORDATION

STATE OF MISSISSIPPI COUNTY OF MADISON

I, Arthur Johnston, Clerk of the Chancery Court in and for said county and state, do hereby certify that this Plat of Wrenfield Part 1B was filed for record in my office on the 22 day of February, 2005, and was duly recorded in Plat Cabinet D in Slide 134 thereof of the records of said county and plats of lands of Madison County, Mississippi.

Given under my hand and seal of office this the 22nd day of February, 2005.

Arthur Johnston, Chancery Clerk By: Deputy

OWNER'S CERTIFICATE

STATE OF MISSISSIPPI COUNTY OF MADISON

I, James T. Weaver, President of Mississippi Investment Properties, Inc., a Mississippi corporation and Managing Member of Grace Prop., LLC, a Mississippi limited liability company, do hereby certify that said limited liability company is the owner of the parcel of land described in the foregoing certificate of Ricky L. Nelson, Professional Land Surveyor, that said limited liability company has caused said parcel of land to be subdivided and platted as shown hereon and has designated same as Wrenfield Part 1B, and that said limited liability company does hereby adopt this plan of subdivision as its free act and deed and dedicates, for public use forever, all streets, street rights-of-way and all stormwater drainage facilities therewith, to the City of Ridgeland and all public water and sanitary sewer systems, including their rights-of-way shown hereon, to the City of Ridgeland.

Witness my signature on this the 16 day of FEBRUARY, 2005.

NOTES:

1. The Declaration of Covenants, Conditions and Restrictions for Wrenfield, which are filed for record in the office of the Chancery Clerk of Madison County, Mississippi, in Book [illegible] beginning at Page 843 together with any amendments or supplements thereto, shall govern and control the improvement, use and occupancy of lots in this subdivision.

2. This parcel of land is situated in Flood Zone X (areas of 500-year flood; areas of 100 year flood with average depths of less than 1 foot or with drainage areas less that 1 square mile; and areas protected by levees from 100-year flood) and in Flood Zone AE (base flood elevations determined) according to the Flood Insurance Rate Map - Map Number 28089C0315 D, dated April 15, 1994. (Revised to reflect Letter of Map Revision, effective May 10, 2001.) The edge of the lake at the rear boundaries of Lots 33 - 38 (inclusive) is the revised floodway boundary, and any rise in the lake's water surface will cause lake water to encroach onto these lots.

3. There is a 10' Utility Easement along the street frontage of all lots. The Utility Easements shown on this Plat are reserved for the purposes of installing, operating, and maintaining water, sanitary sewer, storm drainage, electrical distribution, telecommunications, natural gas, cable television and other underground utility facilities installed to serve residential consumers in Wrenfield. Only utility facilities which are buried below the ground surface or are appurtenant to such buried facilities are permitted in the utility easements shown on this plat. These easements are for the benefit of Grace Prop., LLC, the Wrenfield Homeowners Association, the City of Ridgeland and those bona fide utility companies which 1) are authorized to provide a utility service to the owners of lots and/or dwellings in Wrenfield and 2) install facilities in Wrenfield Part 1B, within two years of the date this plat is recorded.

4. Distances shown along curves are chord distances unless designated as arc distances. Iron pins are set at all lot corners. Concrete monuments are set at corners of subdivision boundaries.

5. Parcels A and B are not lots for residential dwellings.

6. All or any part of any required yard within a Lot shall be graded, shaped, grassed and maintained as directed or permitted by the City of Ridgeland to cause surface water to drain directly to an abutting street or an approved drainage channel, culvert or swale.

7. Survey classification as per the minimum standards for surveying in the state of Mississippi
   Geographic location - Survey Class "B"
   Mathematical closure and accuracy - Survey Class "A"

8. Reference Meridian: Bearings used on this plat and in this legal description match those used by J. Vance Wise for the survey dated January 7, 2000, of the land from which this subdivision is a part and for the plat of the adjoining property subdivided as "Pinehurst At Highland Park Of Ridgeland." Sufficient monumentation was available to establish this orientation. Bearings used should be rotated 00° 08' 51" clockwise to reference bearings from True North based on Solar Observation (Hour Angle Method).

9. Any dwelling constructed, erected, placed or maintained on any of Lots 20 through 24 (inclusive) of this subdivision shall contain at least Two Thousand Seven Hundred Fifty (2,750) square feet of heated floor space, exclusive of open porches and garages. Any dwelling constructed, erected, placed or maintained on any other Lot in this subdivision shall contain at least Two Thousand Six Hundred (2,600) square feet of heated floor space, exclusive of open porches and garages. The lowest habitable floor of any dwelling shall be the higher of the elevation printed within the ellipse shown within the lot or as determined as prescribed in the Covenants. A good-neighbor, solid wood fence is required along the north boundary of Lots 14, 20, 21 and 22. A metal picket (wrought-iron type) fence is required along the east boundary of Lots 22, 23 and 24. Owners and prospective owners of a lot should contact the City of Ridgeland's Department of Community Development to obtain information about pertinent City requirements and restrictions pertaining to the improvement, use and occupancy of a lot within this subdivision.

SURVEYOR'S CERTIFICATE OF COMPLIANCE WITH SUBDIVISION REGULATIONS

STATE OF MISSISSIPPI COUNTY OF MADISON

I, Ricky L. Nelson, Registered Professional Land Surveyor, hereby certify that the monuments and iron pins shown hereon are in place on the ground except at those lot or parcel corners where an impenetrable obstruction (such as manhole, fire hydrant or tree) is located on the date hereof, and that plat shown and described hereon is a true and correct [illegible] survey to the accuracy designated in the subdivision regulations of the City of Ridgeland, Madison County, Mississippi.
